

I'm a Sloth - My Body Is My Capital

Lyrics: Flora Ska & Bernhard Drexler

Music: I'm a Sloth

I am dancing on TV again

And I'm not even good at it

But many people think I'm hot

My body is my capital

I will entertain you

Because you want me to

I will entertain you

My body is my capital

I am singing on TV again

Though I'm not even good at it

I'm considered a celebrity

My body is my capital

I will entertain you

Because you wish so

I will entertain you

My body is my capital

I'll take my clothes off for you - if you want me to

I'll tell you all what to do - if you want me to

I'll almost starve to death for you - if you want me to

I'll be a star to all of you - if you want me

They bitch about me on TV again

And just like me they're paid for it

It's not that I give a shit

At least I am part of it

I will entertain you

Because you pay me to

I will entertain you

My body is my capital

I'll take my clothes off for you - if you want me to
I'll tell you ll what to do - if you want me to
I'll almost starve to death for you - if you want me to
I'll be a star to all of you - if you want me
I'll take my clothes off for you - because you want me to
I'll tell you all what to do - because you want me to
I'll almost starve to death for you - because you want me to
I'll be a star to all of you - because you want me
